

## DELAIRE GRAFF SPA

*24 Karat gold & precious stone indulgence*

In collaboration with Black Pearl 24 Karat Gold, Delaire Graff Spa has developed an extraordinary healing and anti-age indulgence. Gold has been known for centuries to heal and oxygenate the skin and was purportedly the source of great beauty for the illustrious Cleopatra, Queen of Egypt. Throughout history, members of high society have believed gold to be the key to youthfulness. Join us for an experience of restorative and anti-age opulence with a sensory facial of pure 24 Karat Gold combined with Diamond Tip Exfoliation and a semi-precious stone massage of Citrine.

Your wonderful Midas-touch facial begins with a consultation with one of our expert beauty therapists. Followed by a Black Pearl Mousse Cleanser to purify and balance the skin and Diamond Tip Exfoliation, tailored to your specific skin type, removing dead skin cells and preparing the skin for intensive product absorption. 24Karat Gold Devine Face Serum with powerful anti-oxidants is applied for instant regenerative results. The serum is sealed with a 24Karat Gold Cleopatra Mask, deeply nourishing and healing leaving the skin with a luxurious iridescent glow.

The neck and décolletage are then massaged with a Prestige Capsule, an age control repair complex. The massage is enhanced by a semi-precious stone, Citrine, often worn as an amulet to focus the mind for physical and emotional health. Citrine is associated with wealth and prosperity. Your facial is completed with a neck and décolletage mask that is massaged with Citrine Stones until completely absorbed and a 24Karat Gold Eye Elixir for luxurious lifting and hydrating of fine lines and wrinkles. A

24Karat Gold Precious Day Cream is applied for protection against environmental damage and toxins to provide a luminous finish to the skin.

This exclusive treatment provides a tranquil, sensory experience of texture, natural fragrance and touch to ensure the ultimate in luxurious skin renewal.
