ABOUT LEPOGO LODGES

Vast, remote and serene, the Lapalala Game Reserve lies on the banks of the Palala River in the malaria-free Waterberg region of Limpopo province in South Africa.

Encompassing 50 000 hectares of breathtaking natural beauty, the vision is to continue to protect and conserve the biodiversity, uplift its neighbouring communities and create a responsible and sustainable model to secure its conservation status into the future. From crystal clear rock pools to wide open plains, this is an area rich in abundant wildlife and largely untouched by man. A non-for-profit venture, Lepogo Lodges is one of the few lodges, globally, bestowing 100% of any financial gains into the reserve.

Lepogo Lodges will consist of two separate premium luxury lodges, both of which can be booked in their entirety. Noka Camp is the first to open and sleeps 12. Melote House, scheduled to open in 2021, will operate on an exclusive-use basis, amply accommodating up to 16 guests.

ENVIRONMENTAL

We have taken a uniquely sensitive approach and have built each villa and the main lodge complex on small concrete pads to ensure our building imprint has minimum impact on this pristine and beautiful land. Completely off the grid, all electricity at Lepogo Lodges is self-generated with an original bespoke solar walkway.

In addition, the Lepogo Lodges' Carbon Offset Programme neutralises each guest's carbon footprint from the moment they leave their home until their arrival at our lodge and back home again. Our guests are able to calculate their carbon footprint with us and choose which project they would like us to offset their footprint into.

ACCOMMODATION - NOKA CAMP

Set on a dramatic 100ft cliff-top with breathtaking vistas overlooking the winding Palala River, Noka Camp is nestled in the heart of the malaria-free, Big 5 Lapalala Game Reserve and offers an exquisite base from which to explore the 50 000 hectares of pure African wilderness.

Lodge facilities include a variety of intimate and enticing dining areas, a wine cellar, secluded look-out deck, tree-top gym, yoga deck and pampering spa treatments.

Noka Camp comprises four expansive villas and one lavish family villa with a private plunge pool and spectacular views.

At night, the sky bed experience enchants guests with its romantic setting and, whether guests choose to sleep under the stars or inside one of the sumptuous villas, they are assured of complete exclusivity and unparalleled luxury.

Triples are available on request for children under 16 years. No children under the age of 10, unless Noka Camp is booked exclusively.
